

MARGAUX DE BRANE

2017

MARGAUX

VINEYARD

Terroir of sandy gravels on the "Terrasse" n° 5.

VINTAGE 2017

The dry winter was marked by a lack of rainfall. Spring saw excesses between mild temperatures and severe frosts in April. The flowering was ideal in hot and dry conditions, the veraison was done evenly and the cool summer allowed to retain a nice acidity.

Harvest dates: 14 September - 2 October.

Vines' average age: 15 years old

Vinification: in stainless steel and concrete vats.

Ageing: 12 months in our cellar.

BLEND

54 % Cabernet Sauvignon

46 % Merlot

TASTING

Alc. degree: 13 % | **TA:** 3.47 g/l | **pH:** 3.80

Intense ruby colour.

The nose reveals aromas of fruits such as cherry, currant and strawberry, mixed with a hint of vanilla.

Its aromatic complexity is found in the mouth. The silky tannins are perfectly melted, leading to a long finish.

Drinkability: 2018 - 2025.
